Career Opportunity
Mental Health Therapist – Fulltime Temporary

The Wood Buffalo Primary Care Network is currently seeking a Mental Health Therapist (MHT). The MHT will work under a Physician-led Collaborative Care Model. The incumbent will work as a member of a multidisciplinary team providing evidence informed assessment, treatment, support, and follow-up to child, youth, and adult patient populations. This is an advanced mental health role required to perform the restricted activity of Psychosocial Interventions to address a range of mental health issues.

This is a fulltime, temporary position to September, 2020. Generally, hours are 8:15 am – 4:30 pm. However, some evenings and weekends may be required.

Primary Responsibilities
- Works to full scope of practice providing comprehensive care the child, youth, and adult populations.
- Provide psychosocial intervention to individuals and their families using various therapeutic approaches.
- Collaborate with outside agencies to provide the most effective care for patients and families.
- Utilize a secure Electronic Medical Record (EMR) when completing patient documentation.
- Compose regular progress reports for physicians.
- Collaborate with the patient and physician to develop and implement treatment plans.

Qualifications
- Must have a minimum of 2 years recent clinical experience with child, youth, and adult populations.
- Must have excellent assessment skills.
- Must have formal clinical training and knowledge in child, youth, and adult mental health. CBT and Solution-Focused Therapy training considered an asset.
- Experience working with Child and Family Services, Health Partnership Initiatives, and school programs would be an asset.
- Demonstrated knowledge and skill in the assessment and treatment of children, youth, and adults with mental health concerns/diagnoses is required.
- Must have effective interpersonal and communication skills and the ability to work well with a range of community stakeholders and service providers.
- Certifications in: Applied Suicide Intervention, Non-Violent Crisis Intervention would be an asset.
- Experience in program implementation and development an asset.
- Must be registered with or eligible to be registered with specific regulatory body.

Condition of Employment
- Security; proof of a clean criminal record check with vulnerable sector is required.
- Completion of reference checks.
- Current Registration with relevant licensing body (submitted annually).
- Current CPR.
- Must have own vehicle and valid driver’s license.

The Primary Care Network Offers a Competitive Salary and Benefit Package
